

Dear Parents, Community Members, and Visitors:

I am pleased to welcome you to the Schools of Guntersville Website. In turn, I hope you will find this portal into our school system to be an open pathway in order to learn more about the many outstanding programs we offer to our students.

We are proud of the many accomplishments of our faculty, staff, and students in the areas of academics, the arts, and athletics. Our graduates go on to attend a wide variety of post-secondary institutions as well as find success in a variety of employment opportunities, both locally and in different parts of the country. As a school system, we are most grateful to the community members, parents, and guardians for their continued interest in supporting our students and our school system as a whole.

I encourage you to use our website to learn more about the Schools of Guntersville. Please feel free to contact me or any member of our central office staff at 256-582-3159 because we remain committed to support a continuous improvement process coupled with high expectations for all faculty, staff, and students.

Sincerely,

Brett Stanton
Superintendent
