

**Congratulations** to the Guntersville basketball teams for winning the Marshall County Tournament! We're proud of the team members and their coaches on these big wins and we look forward to supporting them in the Area Tournament starting February 6. Come out to watch them play at Boaz tonight and on Friday AT HOME against Mae Jemison.

**Good luck** to the indoor track team at their track meet in Birmingham on Friday!

### NEWS FROM NURSE HOLLY

All 9th graders should have received a permission form for a free scoliosis screening. **Please sign and return this form by tomorrow, January 25th.**

See Nurse Holly if you did not receive a form. Forms can be turned in to Mrs. Petty, Coach Shelton, or Nurse Holly.

The **GHS Saxophone Ensemble** performed at the BJCC Ballroom in conjunction with the Alabama Music Educators Assn. Professional Development Conference which was attended by over 1,000 Alabama music educators. The ensemble performed a thirty-minute concert that included the premier of "Lakeside Reflections," music that Alabama native Jon Bubbett composed specifically for this ensemble. The composition gives a musical insight into the beauty of life on Lake Guntersville and commemorates the first performance at this conference of any Guntersville band ensemble.

The members are Conner Chambers, Owen Saint, Wyatt Cornelius, Walker Resha and Justin Hale, and they are directed by Ms. Lori Hart.

**ODK members** should see Mrs. Reese for bracelets to raise money for St. Jude's.

Selling bracelets is a mandatory component of club membership because it is the club's service project.
