May 3, 2021

Dear Parents:

We are requesting that parents who will be registering their students in our district for the next school year complete a Student Re-enrollment Packet. This re-enrollment process is critically important and will need to be completed and returned to the front office of your student's school no later than Friday, May 14th, 2021. This process assists greatly in the planning and development of class schedules, preparing bus routes, and updating our student information systems.

Please be advised, if any of the following has changed regarding your student, you will need to provide an updated copy:

- Proof of Residence - A signed copy of a lease, rental, or purchase agreement for a residence which indicates the address of the residence or a utility bill for the residence.
- Proof of Updated Immunization - This must be a State of Alabama Certificate of Immunization. Required immunizations and this form are available at a physician's office and the Marshall County Health Department (256.582.3174).
- Custody Papers - If applicable, we will need a finalized court document signed by the Court System.

Thank you in advance for your assistance with the re-enrollment process.

Sincerely,

Frederic E. Ayer
Interim Superintendent

The Guntersville City Schools are accredited by the AdvancED Commission and the Southern Association of Colleges and Schools Council on Accreditation and School Improvement.
